Still No Compromise from the EIS

Commenting on today's talks with the EIS to try to resolve the current industrial dispute, a spokesperson for the Colleges Scotland Employers' Association said:

"The employers put forward three new proposals today in addition to the average pay increase of 9%. However, disappointingly, the EIS has rejected these.

"The EIS is so far unwilling to accept the terms the union signed up to last March, which was clearly about pay and conditions.

"Our number one priority is ensuring that students are not affected by more disruption, and we urge the EIS to accept the very reasonable and fair offer that is on the table.

"We have offered to meet with the EIS again this week on Wednesday 3 May 2017 and Friday 5 May 2017 to continue talks."
