

Dear Shona,

Thank you very much for the information you have provided. This is much appreciated.

However, can you explain the Methodology used in calculating the annual fee's charged to the college's? As there are rather large differential's.

Also, does College's Scotland charge an annual fee to Scottish Regional Boards?

I would be ever so grateful if you could list the Regional Boards that subscribe to Colleges Scotland and provide the fee amounts per board for both years for year on year comparison?

Thanking you in advance for your help and assistance in this information request, you have been most helpful.

Kind regards
