

Dear Sirs,

I am requesting for information under Section 181 – ACAS Disclosure of information to trade unions for collective bargaining purposes.

I would be grateful if you could supply me in electronic format the National Bargaining NRPA documents that were signed by all Scottish colleges that are collectively participating in the National Bargaining machinery that you provide secretariat for. Please provide the 'most recently dated' document with signatories which include appendix referring and appertaining to the dispute resolution process.

Thank you in advance for your help and assistance in this matter.

Yours faithfully
