

1 How can we improve on the current arrangements around careers advice for learners?

over reliance on teachers for advice  
Focus on SECTORS NOT just Jobs  
FLEXIBILITY IN SYSTEM  
Don't use learning platforms in SCHOOLS

Widening Access

3 Parents important on advice But don't know where Jobs Are  
educate parents as well  
Appropriate point  
could be for adults as well

How can we ensure the everyone receives the right advice and guidance at the appropriate point in their journey?

transferrable skills important  
Several points through life  
People different for different

# Learning and Skills Journey Seminar Round Table Discussions

2 Keep EYE on ENO GAME

Curriculum design more radical view

LMI DATA Better Use

Cultural & Language difficulties & BARRIERS  
Be clear about ROLE & RELATIONSHIP

Shift to workplace learner  
Make Sure DATA IS Joined Up to use Understand Journey

Build in Mobility

Pastoral Care & Support

How can we ensure learner journeys are efficient from both the individual & the taxpayers' perspective?

4 Some people will have to REPEAT or do something different

How can we work together better to ensure learners do not repeat stages/levels of their journey unnecessarily?

FUNDING & FUNDING LEAVES Important

How does it work for whole life learner  
Make more efficient for learner & taxpayer
