Talks to Continue Next Week

Commenting on today's talks with the EIS to try to end the strikes, a spokesperson for the Colleges Scotland Employers' Association, said:

"While today's talks with the EIS have not resulted in an end to the dispute, we have made significant progress and are hopeful that we can enter into renewed talks next week with the aim of breaking the deadlock.

"We have offered to meet again on Tuesday 9 May 2017 to continue talks. In the meantime, we have asked the EIS to suspend the strikes while constructive negotiations are pursued."
