Response to EIS Press Release

A spokesperson for the Colleges Scotland Employers' Association, said:

"Our offer would give lecturers an average nine per cent pay increase and a salary of up to £40,000.

"In addition, our proposal comprises 24 hours teaching time per week, which is already the sector norm, and 56 days holiday per year with no detriment on existing staff holidays or salary conservation. We believe this is a good offer.

"Talks are ongoing and we remain hopeful that a resolution can be found."
