Colleges Scotland's Comment on the New Programme for Government for 2015-16

Commenting on the Scottish Government's Programme for Government, Shona Struthers, Chief executive of Colleges Scotland said:

"We welcome the Scottish Government's focus on education and the economy at the heart of their new agenda. Scotland's colleges play an invaluable role in providing high quality education to meet the needs of both employers and communities. We have a vital role to play in delivering the Developing the Young Workforce programme and wider economic growth through the provision of skills for both young people and adult learners."
