Colleges Scotland's Statement on the Auditor General's Section 22 Reports

Shona Struthers, Chief Executive, Colleges Scotland said:

"We recognise the issues identified by the Auditor General regarding the 2014/15 annual audits of Glasgow Colleges' Regional Board, Glasgow Clyde College and Edinburgh College. These concerns have each been addressed and new measures are being embedded to tighten up arrangements across the sector to ensure that colleges have more appropriate systems and clear accountability fit for the future".
