**Colleges Scotland's Statement on the EIS Ballot Results**

Shona Struthers, Chief Executive, Colleges Scotland said:

“The vote by EIS members to accept the pay offer is a welcome step forward and will be a relief to college students across Scotland who are undertaking coursework and studying for exams. We have worked hard with the EIS to reach a settlement and we are pleased that EIS members have accepted the offer. This is a significant step forward and we can now work together to develop the roadmap to a harmonised workforce which is an integral part of the offer”.
