Colleges Scotland's Statement on the Scottish Election Result

Shona Struthers, Chief Executive, Colleges Scotland said:

“We look forward to working in partnership with the new SNP Government on plans to enhance college provision and develop high quality courses for the benefit of students and the Scottish economy. The next five years will be a critical time for the sector as we seek to contribute to a stronger, fairer society through developing a workforce that is fit for the future, progressing an efficient learner journey that provides effective pathways, and delivering skilled and successful learners who contribute positively to the economy. A key priority is to continue to ensure that college courses meet the needs of students, employers and communities.”
